

## Week of October 14-18 A Note from the Teacher

Hello parents/guardians!

We've a FULL and WONDERFUL week.

This week we will get more information about the Boosterthon and I will send out any information that we receive!

Please do not forget to promote GOAL talk each night to assure that your student is working towards his/her GOAL each day. I saw most students doing an *incredible* job this week. I am SO proud of them! In their Friday Folders each student should have a picture of the student holding up their GOALS and a message on the back. Please put this somewhere that they will constantly be reminded of their hard work.

I sent out the sign-up genius link last week for fall conferences. *If you have not yet already, please sign up. If you choose not to have a conference, please email and let me know.*

The students will have a science quiz on Friday. On Google Classroom, I will post a blank study guide that the students may use to help them prepare. However, this is totally optional!

The students will have **SCIENCE** on Monday. Please remind your student to go straight there.

As always, if you have any questions or concerns email me/Remind message me and let me know! Have a happy Sunday!

Sincerely,  
Miss Parker
