

Week of November 4 - 8 A Note from the Teacher

Hello parents/guardians!

We had a great week finishing Boosterthon with the Fun Run & crushing our school goal! We loved National Caramel Apple Day - thank you to all the parents that helped make it happen!

Do not forget to encourage GOAL work at home for both ELA and math. Check with your students that he/she is completing the steps listed on their GOAL sheet to work towards their GOAL. In math this week, the students will take a 28 question GOAL check-in. Each night they will complete seven questions. This will allow us to check on our students' progress toward their math GOALS. They've been working **incredibly** hard so I know they're going CRUSH their GOAL! However, *please refrain from helping your student with this check-in to give us the most accurate information.* If he/she gets stuck on a question, please encourage them to discuss it with me during morning work time.

Please note that we have science quiz and a math test (fractions as division) on Monday. The students have science notes in their binder and received additional review today! They should know the difference between unicellular and multicellular organisms and the five life processes.

The students will have **P.E.** on Monday. Please remind your student to go straight there.

As always, if you have any questions or concerns email me/Remind message me and let me know! Have a great weekend!

Sincerely,
Miss Parker

A Glance at the Week

Math

Fractions as division/Division of Fractions
Test; Place Value; Math **GOAL** work

ELA

EL Module 2 - Nonfiction/ Rainforests -
Text Structure & Writing Summaries;
Hatchet Chapters 12-15; ELA **GOAL** work

Social Studies

Finish Native Americans; Developments in
Technology; Westward Expansion

Science

Cells; Multi/Unicellular Organisms

Upcoming Dates

November 6 - Family Marathon
November 11 (Veteran's Day) - No School
November 16 - Saturday Makeup School
November 18 - Disney Day
November 22 - Readvolution Ends

Upcoming Tests & Projects

Fractions as Division Test - Monday (11/4)
Cells Quiz - Monday (11/4)
Place Value Pre-test - Tuesday (11/5)
