

Week of January 6 - 10 A Note from the Teacher

Hello parents/guardians!

I hope everyone had a great week and a wonderful track out! We created new math GOALS this week. Please discuss these new GOALS with your students and help them get excited about the GOALS!

The classroom is in need of individually wrapped snacks (without nuts), treasure box goodies, dry erase markers, small water bottles, and Lysol spray. *Also, please remind your students to bring a reusable water bottle each day.*

The students will have **MEDIA** on Monday. Please remind your student to go straight there.

As always, if you have any questions or concerns email me/Remind

message me and let me know! Have a great weekend!

Sincerely,
Miss Parker
