

Week of February 18-21 A Note from the Teacher

Hello parents/guardians!

I hope everyone had a fantastic week! Thank you SO much for all of the thoughtful Valentine's Day goodies. We had such a FUN day!

As we're winding down the quarter we have a lot to fit in. The class will be focusing on weather symbols and weather predictions this week. Please have your students continue to practice all of the vocabulary that is posted on Google Classroom.

The classroom is in need of individually wrapped snacks (without nuts), white copy paper, colored washable markers and Lysol spray.

Remember that this weekend is a long weekend. I can't wait to see the students back on Tuesday!

As always, if you have any questions or concerns email me/Remind message me and let me know! Have a great weekend!

Sincerely,
Miss Parker
