

Week of February 3-7 A Note from the Teacher

Hello parents/guardians!

I hope everyone had a great week! Recently, I sent out the I Heart Math & Science Parent Night sign-up through Google Form. If you plan on attending, please fill out this Google Form to allow us to plan accordingly. On February 14, we will have our 2nd annual iHeart Math & Science Day at school. Fifth grade has planned some fun rotations for the morning. On this day, the students may dress like famous scientists and mathematicians. We have also built in time to exchange Valentines, if you choose. We just ask that if you choose to exchange Valentines, you bring something for the whole class. The class list is attached!

In addition, we will be doing student-led spring conferences. The link to sign-up is included in the email.

The classroom is in need of individually wrapped snacks (without nuts), white copy paper, sticky notes, sharpies

highlighters, heart stickers, and Lysol spray.

On Monday, the students have **SCIENCE** Please remind them to go straight there in the morning.

As always, if you have any questions or concerns email me/Remind message me and let me know! Have a great weekend!

Sincerely,
Miss Parker
