

Week of March 2-6

A Note from the Teacher

Hello parents/guardians,

I hope everyone had a fantastic week! Thank you all for coming to our student-led conferences - we loved watching them! Please keep in mind that the students have Case 21 testing Monday and Tuesday of this upcoming week.

On Monday, the students have **STEM**. Please remind them to go straight there in the morning. Also, Monday is Read Across America Day, so the students may dress up like their favorite book character.

As always, if you have any questions or concerns email me/Remind message me and let me know! Have a great weekend!

Sincerely,
Miss Parker
