

Week of August 5-9 A Note from the Teacher

Hello parents/guardians!

I hope everyone had a wonderful week. This week we explored the idea of volume and practiced finding the volume of rectangular prisms. We are continuing reading Esperanza Rising. The students now are wrapping up the 3 Branches of Government. They will take a quiz on it next Tuesday.

Please don't forget the deadlines for the D.C. field trip. **The second deadline is Friday, 8/16, in which the second payment is due.** You can write a check or pay online.

Just a quick reminder for students to bring reusable water bottles from home for these hot summer days. The classroom is still in *need of individually wrapped tree-nut free snacks, paper*

towels, small water bottles, and grid/graph paper.

Please remind your student we will have **ART Monday** and to go straight there in the morning. As always, if you have any questions or concerns email me/Remind message me and let me know! Have a happy weekend!

Sincerely,
Miss Parker
