

Week of September 3-6 A Note from the Teacher

Hello parents/guardians!

This upcoming week we will have Case 21 testing. The students will begin with the reading/ELA Case 21 on Tuesday, mathematics Case 21 on Wednesday, and science Case 21 on Thursday. Please make sure your student has a hearty breakfast and a good night's rest on these mornings.

This week we'll wrap up our division unit using base-ten, area model, and expanded notation strategies. We recently finished Esperanza Rising. The students did an incredible job with their reading GOALS; thank you so much for your thoughtful, supportive, and insightful comments on the students' effort towards their goals.

The book fair is this upcoming week. The students will preview the book fair on 9/4 and will have the opportunity to buy on 9/5. The students will have Scholastic book previews in their blue Friday folders.

The D.C. field trip information meeting will be held September 5th at 6 PM and September 6th at 8 AM. You only need to attend one of these sessions as both sessions include the same

information. This meeting will be held in cottage 513 (Mrs. Jones/Mrs. McCarty's classroom).

As always, if you have any questions or concerns email me/Remind message me and let me know! Have a happy weekend!

Sincerely,
Miss Parker
